Stockers and feeders were scarce and generally 10 to 15c higher. Receipts today were 7750. There was a liberal supply of beef steers, but the inquiry was excellent and desirable kinds of all weights sold readily at 5 to 10c higher figures; others steady to strong. Prices for good cows and heifers were mostly 10c higher or 15 to 20c higher than late last week. Medium kinds were steady to strong. Bulls and veals were steady. Receipts of hogs thus for this week, 17,900; last week, 27,200; last year, 20,900. Buyers were bearish Monday, augmenting their argument by pointing to the run of 52,000 at Chicago. The market was 5 to 10c lower. Salesman had their turn today, however, as packers wanted supplies and while a few early sales were made from 2 1/2 to 5c higher rates, trade soon developed to a 5 to 10c higher basis. Bulk of sales were from \$3.25 to 5.35; top 5.40.

Receipts of sheep Monday were 5400, mainly southwestern grassers. Calves

were mostly 10c higher. Receipts today were 8600, 80 percent of which were Texas and Arizona grassers. The inquiry was brisk and values strong. We quote:—choice lambs, \$8. to 6.25; choice yearlings, \$5.50 to 5.75; choice wethers, \$4.75 to 5.00; choice ewes, \$4.50 to 4.05. For woolled stock add 50c per cwt.

Saloon Explosion.

Again are we called upon to give an account of the dynamiting of the saloon at this place and for fear of a wrong impression with the public the facts are given.

Monday morning about 1 o'clock the town was awakened by a loud explosion following in a few minutes by shots and the cry of fire. Every man rushed to the scene of the explosion and found the south side of the building badly wrecked and on fire, caused by the overturning of the lighted lamps. The building was a total loss and only a small portion of the contents were saved. The house was owned by J. C. Johnston and the contents by Wm. Stine. Ed Birdsong, who was sleeping in the saloon, narrowly escaped serious injury.

Now as to reason for the destruction. The impression may obtain that there is a saloon fight in the town. There is nothing of the kind. The citizens are a unit in wanting the perpetrator convicted and will give a reward of \$500 for arrest and conviction of the parties.—Olean News.

Hill's Business College Notes.

SEDALIA, MO.
Eugene Hoff accepted a position as stenographer with J. H. Bawron, attorney at law Sedalia, Mo.

Miss Bess Hawkins is doing stenographic work for the Dunn Mer. Agency, Sedalia, Mo.

Edward Maddox is doing stenographic work for Rev. E. A. Neville, Rector of the Episcopal Church, Sedalia, Mo.

Milton Ewart has accepted a position as bookkeeper with the Sedalia water works.

We feel quite proud of the fact that Roy Shackelford is able to hold the position as stenographer with the Superintendent of the Mo. Pac. R. R. at Sedalia Mo., as a stenographer of twelve years experience had tried the position before he accepted it and failed to hold it. This shows that our students are well trained.

We received a letter from Ralph and William Jay of Chelsea, I. T. last week in which they speak of the great benefit they received at our school. They claim that they learned more here in five and one-half months than they did in all the other schools put together and that they expected to send us a number of young men this fall.

We made a slight mistake last week in the statement of the number of cards sent us by a person who secured the order in less than ten minutes. It should read twenty-two dozen cards instead two dozen. We are receiving a great many orders for cards and engraving resolutions. Send for samples of our work and handsome catalogue.

Obituary.

Susanah Jones was born in Morgan County, Mo., May 21, 1829. She was reared and lived her entire life in this county, and on April 26, 1905, as the clock chimed out the noon hour the Angels from Heaven descended and bade her soul come up higher, pneumonia and old age being the cause. She was the daughter of Hickman Estes and was married to Edward Jones in 1849. To this union was born ten children, eight of whom survive her, as follows:

H. J. Jones of Colorado; Amy Cummings of Sedalia, Mo.; J. W. Jones of this county; Mary E. Menford of Sterling, Kansas; Lizzie Dinwiddie of Sedalia, Mo.; Sinda Allison of this county; A. J. Jones of Macon, Mo.; and T. J. Jones of this county. She had made her home with T. J. since her husband's death about thirteen years ago. All of the children were present at her bedside when the final summons came but H. J. and Mary E.

She had been a member of the Freedom Baptist Church for more than fifty years, was a consistent Christian and ever mindful of the debt she owed her Creator.

In giving this memoir of Aunt Suse (although she was no blood relation I never knew her by any other name) I do not claim perfection, as all know perfection has never been attained on earth except by the Savior of mankind, yet I do claim she passed the fundamental principles of truth, virtue, honesty and industry which constitutes a noble character, and to her can be paid the highest tribute of womanhood, "It was around her knees that upright, honest, honorable men and women received their training."

The most noticeable feature of her life, to the writer, was that despite her three score and fifteen years she was never old to me and always greeted me with a hearty hand-shake, a smile and a cheerful word, and as I took my last look as she lay in the casket, it seemed that the smile still lingered. But alas! the hand-shake and pleasant words were missing. It was then that I realized that Aunt Suse had gone up higher.

The funeral services were conducted by Uncle Jerry Gabriel (an old neighbor and friend) at the home, and at noon on the 27th we laid her remains to rest in the Glensted cemetery to await the resurrection.

With sympathy for the bereaved children I add the following lines:

My heart is ever lonely
My life is drear and sad,
'Twas her dear presence only
That made my spirit glad.
From morning until evening
Care rests upon my brow;
She's gone from me to heaven,
I have no mother now.

WHY SUFFER FROM RHEUMATISM

Why suffer from rheumatism when one application of Chamberlain's Pain Balm will relieve the pain? The quick relief which this liniment affords makes rest and sleep possible, and that alone is worth many times its cost. Many who have used it hoping only for a short relief from suffering have been happily surprised to find that after awhile the relief became permanent. Mrs. V. H. Leggett Yum Yum, Tennessee, U. S. A., writes: "I am a great sufferer from rheumatism all over from head to foot, and Chamberlain's Pain Balm is only thing that will relieve the pain." For Sale by Muntzel Drug Co.

Sick Headache

When your head aches, there is a storm in the nervous system, centering in the brain.

This irritation produces pain in the head, and the turbulent nerve current sent to the stomach causes nausea, vomiting.

This is sick headache, and is dangerous, as frequent and prolonged attacks weaken the brain, resulting in loss of memory, inflammation, epilepsy, fits, dizziness, etc.

Allay this stormy, irritated, aching condition by taking Dr. Miles' Anti-Pain Pills.

They stop the pain by soothing, strengthening and relieving the tension upon the nerves—not by paralyzing them, as do most headache remedies.

Dr. Miles' Anti-Pain Pills do not contain opium, morphine, chloral, cocaine or similar drugs.

"Sick headache is hereditary in my family. My father suffered a great deal, and for many years I have had spells that were so severe that I was unable to attend to my business affairs for a day or so at a time. During a very severe attack of headache, I took Dr. Miles' Anti-Pain Pills and they relieved me almost immediately. Since then I take them when I feel the spell coming on and it stops it at once."

JOHN J. McREARIN,

Pres. S. B. Eng. Co., South Bend, Ind.

Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails he will return your money. 25 doses, 25 cents. Never sold in bulk.
